## Honeywell The Lyric™ Package

Lyric is a Wi-Fi connected platform that simplifies home comfort, security and awareness by controlling home products with a single app. Individually, each product performs brilliantly. Together, they're a way to orchestrate life. Available on iOS and Android devices.

### Lyric™ T6 Pro Wi-Fi Thermostat TH6320WF2003/2006

- ▶ App based install – Everything happens in four easy steps using the mobile app – no manual necessary.
- ▶ Geofencing uses a homeowner's smartphone location to automatically save energy when they're away and ensure comfort when they return home.
- ▶ Works with the latest smart technology including Apple® HomeKit™ and Amazon Echo.
- ▶ The Lyric app lets users monitor and control their heating anytime, anywhere, using only their smartphone or tablet.

### Lyric™ Wi-Fi Water Leak and Freeze Detector CHW3610W1001

- ▶ Conveniently place near sinks, washers, water heaters, sump pumps - anywhere leaks could happen. Battery life lasts up to 3 years without incident.
- ▶ Notification messages can alert you or your family/friends, wherever you are, while audible (100 dB alarm) alerts sound when you are at home.
- ▶ Use to detect temperatures that can freeze pipes, and humidity that could damage valuables.
- ▶ Runs on WiFi - No Extra Hub or hardware purchase required.
- ▶ Reusable even after detecting an incident.

### Lyric™ C1 Wi-Fi Security Camera CHC8080W1000

- ▶ Remote self-monitoring — Keep a constant eye on your home, no matter where you are
- ▶ On-device & cloud storage
- ▶ Motion Detection and intelligent sound detection that identifies smoke and carbon monoxide alarms
- ▶ Automatic Privacy Mode — Uses geofencing technology to turn off recording when you are at home
- ▶ Two-Way Talk — Talk through the camera when communication is necessary
- ▶ Night Vision
- ▶ 5-Year Warranty

### Carbon Monoxide Detector KN-COB-DP2

- ▶ 9-Volt battery backup provides continuous protection.
- ▶ Loud 85db alerts you of deadly CO gas.
- ▶ Includes tamper-resistant feature.
- ▶ The Low Battery Hush silences low battery chirp warning up to 12-hours to maintain protection.

## By-Pass Humidifier 500M

- ▶ Helps monitor indoor relative humidity to make sure the air in your home is unwelcoming to viruses and other unhealthy inhabitants.
- ▶ Helps protect furniture, hardwood floors, musical instruments and electronics, which are all safer when your home is properly humidified.
- ▶ Helps increase comfort and energy efficiency.
- ▶ 5-year warranty

## MERV11 Media Air Cleaner

- ▶ Removes particulates and irritants throughout your home, including mold spores, pet dander, dust mites, bacteria, pollen and even viruses.
- ▶ Controls dust, making your home look and feel cleaner, while protecting appliances and electronics.
- ▶ Helps keep your air conditioner's cooling coil clean and your furnace working efficiently.
- ▶ Removes 50% dust particles at 1-3 microns and removes 85% pollen and mold spores at 3-10 microns.
- ▶ 5-year warranty

## PureFlo™ Polarized Media Air Cleaner P6100

- ▶ Controls smoke, pollen, dust, dust mite, dander and other organic and inorganic particulates.
- ▶ Low airflow resistance effectively filters without restricting airflow.
- ▶ Superior filtration traps germs, bacteria, viruses and allergens better than MERV 11 media filters. Effectiveness does not diminish over time like electronic precipitators. Removes tobacco smoke from air. Removes particles down to .01 microns.
- ▶ Easy maintenance – simply replace the economical fiberglass filter pads as needed.
- ▶ Lifetime warranty

## PremierOne Germicidal Air Purifier with Odor Control

### CONTROL:

- ▶ Allergens that cause allergic and asthmatic episodes.
- ▶ Organisms such as mold spores, bacteria and viruses.
- ▶ Noxious odors created by people, pets, smoke, solvents, carpets and vinyl coverings.
- ▶ Toxins created by pressed-wood products and other materials that cause human ailments.
- ▶ The industry's only model with a patented adjustable odor control.

# MAXIMIZE YOUR EFFICIENCY

## Upgrade to a Hybrid Dual Fuel System for \$1500 or less depending on the size of your system.

A dual fuel system combines the advantages of a gas furnace with an electric heat pump to help control your utility bills.

Watson Heating and Cooling will install your Hybrid Dual Fuel System to automatically select the most economical fuel source – gas or electric – to maximize your savings at your desired comfort levels.

Because a Hybrid Dual Fuel System provides the flexibility to work with multiple fuel sources, it provides additional protection from unpredictable fuel cost increases, saving you money over the life of your system.

## A SOLUTION FOR EVERY ROOM.
